Progressive, well-established Wood Treating Company, located in Central Virginia, is seeking management trainees. Applicants should have a degree in Forestry or related field. Experience in manufacturing and processing of Southern Yellow Pine is a plus, but not a must.

Successful candidates will receive hands on training in all facets of business from one of the largest wood treaters in the nation. With annual production approaching 120 million board feet, our facility is one of the newest and most technologically advanced in the industry. We also seek to continue and build upon our reputation of providing the highest-ranked quality and service to our loyal customer base.

Benefits include: Paid Health Care, Long-Term Disability Insurance, AFLAC Insurance Option, 401-K Retirement Program, Cafeteria Plan, Paid Holidays, and Incentive Bonuses.

If you are looking for a home in Central Virginia with excellent opportunities for advancement, then Madison Wood has a place for you. Having visited Madison Wood on numerous occasions, Dr. Bob Smith will attest to our commitment to the Wood Industry. Interested parties should contact Steve Lillard using the information above.
