

## Management Trainee

North America's largest manufacturer of moulding and millwork products is seeking several qualified individuals to help meet our expansion plans. Moulding and Millwork, a rapidly growing division of Sauder Industries, possesses a well established training program that provides the necessary tools needed to lead the individual to a career in management. We have been in the wood products business for over 70 years and have a proven track record of providing outstanding career advancements and opportunities through the US and Canada.

*Qualified candidates should possess the following:*

- Strong sales interest
- Desire to learn
- Excellent communication and interpersonal skills
- High energy and initiative
- Motivation to excel in upper management positions
- Bachelors degree preferred

In addition to a competitive salary, our compensation package includes:

- A complete medical plan
- A liberal company matched 401K retirement plan
- Performance based profit sharing paid annually
- Paid annual vacation within first year of employment
