

Name: LI Qingqing	Gender: Male	Birth date: Dec 28 th , 1981
Master Candidate in Wood Science and Technology, Beijing Forestry University (BFU)		
Editor, China Wood-based Panels Journal, Chinese Academy of Forestry (CAF)		
Cell: +86 138 1003 0619	Office: +86 10 6288 8476	Email: danielqingqing@gmail.com
Mailing address: PO Box 986, Beijing Forestry University, Beijing 100083, China		

Education Background

- ▶ **PhD in Wood Science and Forest Products**, Virginia Tech, Blacksburg VA, USA 2007-08–Present
- ▶ **Master of Science in Wood Science and Technology**, Beijing Forestry University, Beijing, China 2004-09–2007-06
 Expected Graduation Date: June 2007, General Grade Average: 86.2/100
- ▶ **Bachelor of Science in Wood Science and Technology**, Beijing Forestry University, Beijing, China 2000-09–2004-06
 Graduation Date: June 2004, General Grade Average: 84.3/100

Research Experience

- ▶ **Wood dyeing mechanism and processing technology**; sponsored by National Natural Science Foundation (NNSF); focus on dyeing auxiliaries, pretreatment methods, pH and buffering capacity of dyed wood. 2005-11–present
- ▶ **Non-wood based panel processing technology**; enterprise funded research program, exploring the possibility of making panels with reed straw applied with MDI adhesive. 2006-08–2006-09
- ▶ **Field survey of wood-based panel factories in Bazhou City, Hebei Province, China**; sponsored by BFU summer practice program. The survey report won the award of BFU best summer practice report. 2004-07–2004-08
- ▶ **Wafer-board hot-pressing technology**; sponsored by NNSF; focus on the temperature variation of the inner board during the hot-pressing process, undergraduate thesis. 2004-02–2004-06
- ▶ **Wafer-board processing technology**; sponsored by NNSF, focusing on physical and mechanical properties of the wafer-board that produced under different processing conditions. 2003-07–2003-08

Selected Publications

- **Comparison and analysis on pH and buffering capacity of dyed wood [J]**. China Wood Industry, 2006(6). **LI Qingqing**, ZHAO Hui, YU Zhiming, HUANG Li.
- **Study on color stability of the dyed veneer [C]**. Proceedings of National Symposium on Technical Development of Biomass Materials and Environmentally-friendly Wood-based Panels; Nov 3~6, 2006. **LI Qingqing**, HUANG Li, YU Zhiming, WU Lin
- **Study on effects of pretreatment on dyeing property of veneer [J]**. China Wood-based Panels, 2006(10): 24-26. **LI Qingqing**, ZHANG Xu, YU Zhiming, HUANG Li.
- **Initial study on conductive capability of triploid Populus tomentosa wafer board during the hot-pressing process [J]**. Journal of Shandong Forestry Science & Technology, 2005(6): 1-3. ZHU Bencheng, YU Zhiming, **LI Qingqing**, WU Juan, WANG Li.

Professional Affiliation & Activities

- ▶ Society of Wood Science and Technology (SWST); Student Member. Since 2006
- National Symposium on Technical Development of Biomass Materials and Environmentally-friendly Wood-based Panels; Wood Science Branch of Chinese Society of Forestry, Dongying, China. 2006-11-03-06
- 1st International Conference on Energy Conversion and Efficient Utilization of Woody Biomass; BFU, Beijing, China; participant and conference volunteer. 2006-05-14-16
- International Workshop on Prefabricated Housing from Bamboo Based Panels; INBAR, Beijing, China. 2005-11-24-25

Work Experience

- ▶ **Editor, China Wood-Based Panels Journal, Chinese Academy of Forestry (CAF), Beijing** 2005-12–present
 Full-time job, editing technical reports; writing industry newsletters; translating technical reviews; attending industry expositions; involved in establishing the website of Chinese Research Institute of Wood Industry, CAF; participation in composing a technical book: China Forest Industry-Flooring, China Forestry Publishing House.
- ▶ **English lecturer, Beijing Concorde Institute of Management (BCIM), Beijing** 2006-06–2006-10
 Part-time job, teaching high school graduates New Concept English, 4 hours per week.
- ▶ **Chinese-English Translator, International Network for Bamboo And Rattan (INBAR), Beijing** 2005-07–2005-08
 INBAR annual summer volunteer program, translating webpage, project reports, newsletters and project documents either from Chinese to English or English to Chinese.
- ▶ **English lecturer, Sinonets Corporation, Beijing** 2005-01–2005-02
 Vacation job, teaching Cambridge Communication English at Sinonets Corp.'s 2005 English Winter Camp.
- ▶ **Sales consultant, Clever Net Co. Ltd., Beijing** 2004-12
 Weekend job, presenting Clever's education software and internet education service, at Clever's sales expo.
- ▶ **Sales promoter, Dazhong Electrical Appliance Yuquanlu Branch, Beijing** 2004-10
 Vacation job, promoting TCL cell phones.

Social & Extracurricular Activities

- Attendant, 20th anniversary ceremony for China Wood Industry Journal, CAF, Beijing; serving distinguished guests and experts, maintaining electrical equipments at the conference. 2006-07
- **Conference volunteer, 1st International Conference on Energy Conversion and Efficient Utilization of Woody Biomass, Beijing; maintaining laptop computers, projectors and other related electrical equipments.** 2006-05
- Receptionist, INBAR Open Morning, headquarters of INBAR, Beijing; registering and serving ambassadors and counselors from INBAR member countries. 2005-08
- **Volunteer, 21st Universiade, Beijing; BFU marching band saxophone player.** 2001-08
- ▶ President and founder, BFU college debating society; organizing debating competitions, lectures on debates. 2001-11–2003-09
